4 (Possession of Drugs/Alcohol)

5 9. Respondent is subject to disciplinary action under Business and Professions Code  
6 section 2761(a) on the grounds of unprofessional conduct, as defined by Business and Professions  
7 Code section 2762(a) in that on or about August 16, 2009, respondent was arrested for possession  
8 a controlled substance and possession of drug paraphernalia.

9 10. On or about August 16, 2009, respondent was the sole occupant in a motor vehicle  
10 parked in a vacant parking lot in a commercial area in the City of Menlo Park, California.  
11 A Menlo Park Police Officer noticed the vehicle parked in the vacant parking and he decided to  
12 investigate. Upon arriving at the scene, the police officer noticed respondent in the driver's seat  
13 inside the vehicle moving his shoulders up and down with his head rocking forwards and  
14 backwards. As the officer approached the vehicle, respondent began frantically pulling up his  
15 shorts. The officer noticed a black backpack in the passenger seat and he asked the respondent if  
16 he could search it, the respondent consented to the police officer's search of the backpack. Upon  
17 searching the backpack, the officer found glass pipes used for smoking controlled substances. The  
18 respondent admitted to the officer that the backpack was his.

19 11. Thereupon, the officer placed respondent under arrest for violating Health and Safety  
20 Code section 11364; possession of drug paraphernalia. The officer then searched the respondent's  
21 vehicle and found two additional glass pipes similar to the other pipes found in the backpack and  
22 the officer also found a baggy containing several off-white, rock-like pieces consistent with  
23 cocaine base. A presumptive test of a small amount of the rock-like substance tested positive for  
24 the presence of cocaine. Thereafter, respondent was also charged with violating Health and Safety  
25 Code section 11350(a); possession of controlled substances. The remainder of the rock-like  
26 substance was weighed and determined to be 2.00 grams and was submitted to the San Mateo  
27 County Crime Lab for analysis.

28

12. On or about December 15, 2009, in a criminal proceeding entitled *People of the State of California v. George Stephen Bosse* in San Mateo County Superior Court, Case No. SF365647A, the respondent plead nolo contendere for violating Health and Safety Code section 11350(a), possession of controlled substances, a felony.

13. On or about December 15, 2009, the court granted a deferred entry of judgment and suspended the criminal proceedings for 18 months while respondent completes a drug program.

14. The respondent was ordered to pay fines and fees, to obey all laws, to abstain from the use or possession of narcotics or illegal drugs; to submit to drug testing when directed by probation officer and/or peace officer, and not to possess any instrument used to administer narcotics or drugs.
